

VP
VITALITY PURPLE

Up to 75% off at any Virgin Active or Planet Fitness gym

Vitality Purple members get up to 75% off at any Virgin Active or Planet Fitness gym, including Virgin Active Collection Clubs and Planet Fitness National gyms.

Rules

- The 75% gym discount is only available to the main member and spouse on the Vitality Purple policy who work out at the gym at least 36 times in a rolling 12-month period.
- Child and adult dependants over 18 years can also qualify for the gym benefit. However, they will receive a flat 50% gym discount.
- The standard utilisation rules apply: to keep the maximum gym saving, members must go to the gym at least 36 times in a rolling 12-month period.
- Vitality Purple members activating the Purple gym benefit for the first time will pay the same activation fee and access device fee as standard Vitality members. Vitality Purple members pay a once-off gym activation fee equal to one month's full retail Club membership rate for each adult aged 18 years or older who wants to use the Planet Fitness and Virgin Active benefit.
- For a Virgin Active Premier or Planet Fitness National membership, the applicable one month's full retail rate will apply. To find out the retail rates, contact your nearest Virgin Active or Planet Fitness health club.
- Vitality Health members with existing Premier and Collection gym memberships at Virgin Active or with National gym memberships at Planet Fitness through Vitality, who upgrade to Vitality Purple, will automatically have their gym benefit upgraded to the Purple benefit without paying an

additional activation fee. Members will continue adding to their gym workout usage (a minimum of 36 times in a rolling 12-month period).

- Members who joined the gym before 2010 may still join the post-2010 Purple gym benefit and receive the applicable discount. No additional activation fee will be charged. Contact your Discovery Purple Private Consultant to activate this benefit.
